EXPERIENCE SUMMARY

Web and Graphic Designer with a strong foundation in UI and UX design. I design and code unique websites. Along with a strong foundation in design, I in-depth knowledge of web development. I can code fully functional websites with the following languages: HTML, CSS and JavaScript.

SKILLS

Web development languages: HTML, CSS and JavaScript

Frameworks: Bootstrap, React

Builders: Wordpress, LeadPages, Shopify

IDE: Visual Studio

Methodologies: Azure DevOPs

Design Programs: Adobe Photoshop, Illustrator, XD

EXPERIENCE

Web Designer/Developer, Black Spot Design

Portland OR, July 2020-Present

Created company logo for Black Spot Design. Worked in a Asana, a project management application for teams. Alongside another web designer we wireframed and created websites using Divi. We made use of animations and custom CSS.

UI and UX Designer, Prosper IT Consulting

Portland OR, Apr 2020-July 2020

Designed a full website including wireframes and mockups using Adobe Photoshop and Adobe Illustrator. I created interactive prototypes of my designs using Adobe XD. Final product was a finished website and website prototype.

Web Designer and Coach, Pendulum Aerial Arts

Portland OR, Dec 2015-Jun 2019

Regularly updated the design of the company website built on WordPress. Edited company images for the website using Photoshop's capabilities.

Graphic Designer and Assistant, Pacific Building Insight

Portland OR, Mar 2017-Jan 2019

Re-designed and updated content on company website. Created graphics to illustrate issues for the company's ongoing construction defects projects.

EDUCATION

UI UX Designer Program, The Tech Academy

Portland OR, Completed May 2020

Intensive design and coding program which included fundamentals of design principles such as color theory, gestalt principles and more. I studied design programs and web development. Created many web designs and created the prototypes and websites based on my design.

Digital Arts Certificate, Portland Community College

Portland OR, Completed 2018-2019

Program including extensive training in design and design programs including Adobe Illustrator and Adobe Photoshop.

High School Diploma, Forest Grove High School

Forest Grove OR, Graduated 2015
